WAR FLARES IN TRANSYLVANIA

Wilkie Wants Debate Here's His Chance!

Editor H. B. Fox's Madisonville Meteor recently carried this illuminating communication:

"Dear editar:

"I see where Mr. Willkie is wantin somebody to debate him on the New Deal and I wish to state that if nobody else will do the job I will agree to do it for a reasonable sum, provided Mr. Willkie will let me know ahead of time which side he's gonna take.

"As I undersand it, he's for the New Deal in theory but against it in operation, like I'm in favor of rasin cotton in theory but hate like the mischief to do it in fact. Raisin cotton is all right if you ain't got nothin else to do, but stumps is more permanent and while you don't make nothin out of them you can depend on 'em year after year to be a steady crop, which is a little more'n you can say for cotton. I ain't had a stump failure since Woodrow Wilson kept us out of war, and while it might be feasible once in a while to dig up a few and plant something, I figure that now with airplanes developin so fast it is my patriotic duty to leave them stumps standin as a defense measure. They ain't no plane on earth can land in a field the way I arrange my stumps, and what some of them taller ones could do to a parachute feller ain't hardly thinkable.

"Your faithfully, "J. A."

550 PWA Workers Is Total For County; Not Precinct Two

Error made Friday in reporting a road project for Precinct 2, caused considerable comment here Saturday.

The County had just been notified that an appropriation of $83,619.00 had been made by the federal government for improving roads in the Clarkson, Baileyville and Briary Communities.

In connection with this work some 50 men will be employed through WPA. The Daily Herald reported 550 men would be employed on this project. This figure applies to the county as a whole.

On WPA projects in the county this winter 550 men will be employed. These projects are in the main the public works alloted to the county.

The $83,619.00 appropriation is for Commissioner Precinct 2. In addition $45,407.00 is to be supplied by the county in rented equipment, making a total of $112,026.00 for this job.

The allotment to the entire county is much larger than the amount indicated for the Commissioner Percinct 2. Other sections of the county will share in this allotment of almost $300,000.00.

DELEGATES NAMED

The Presbyerian Church Sunday named delegates to the Presbytery to meet in Taylor September 10th. The delegates are Dr. James Watson and F. E. Woodruff.

JOHN RYAN DIES IN CITY THURSDAY

John Ryan, 55, died at 10 o'clock a. m. Thursday, September 5th at his home in Cameron.

Mr. Ryan had been seriously ill for eight months and although his condition became critical several days ago and little hope was held for his recovery, his death came as a shock to the entire citizenship.

Funeral services will be held Thursday afternoon at 4 o'clock from First Baptist Church in Cameron with Rev. Vernon G. Miles of Hillsboro conducting. The deceased was a member of First Baptist Church and Rev. Miles was formerly pastor here.

Mr. Ryan is survived by his widow and three children as follows: Mrs. George T. Moore of Houston, Mrs. Hardin Pollard of Austin and Robert Sloan Ryan of Cameron.

A native Texan, Mr. Ryan was born at Liberty in Polk county on September 28, 1885. He had been a resident in Cameron more than a a quarter century, was prominent in the business life of the city and a citizen who leaves a record of enviable co-operation and service to his community.

For a number of years he was office manager for Cameron Water, Power & Light Company under the late C. W. Lawrence and T. S. Henderson. During recent years he was associated with J. S. Bragg at the Milam Candy Company, as bookkeeper.

He was married to Miss Sloan, daughter of R. J. Sloan at Milano where relatives of the family survive.

The Marek-Burns Funeral Home will direct arrangements and burial will be made in Oak Hill Cemetery.

Caperton Store Here Is Robbed.

Merchandise valued at $100 was taken from the Caperton Store Friday night, it was reported to the Daily Herald Saturday morning by local officers.

The robber is belived to have been locked in the store at closing time, said officers. There was no evidence that he had forced his way into the store. He made his exit at the back.

The burglary is one of a series of robberies occuring in the city during the past few weeks. Officers were investigating the burglary but no arrests had been made. No arrests have been made in the number of robberies over a period of months.

In the Caperton store the robbery was discovered by Alvin Roberts. The cash register had not been robbed. Officers said change was found in the drawer during the investigation.

Cameron Boy Hurt In Car Wreck Near Chilton at 6 a. m.

Sam Cobb, 20 year old resident of Cameron, was painfully injured at 6:15 a. m. Monday on the highway north of Chilton in a car crash.

Mr. Cobb was returning to Cameron from Waco. A Packard car driven by a woman, wife an employe of the Greyhound Bus lines, crashed Cobb's car near a side road. He said the woman cut out in the path of his car as she attempted to enter the side road.

Cobb has 12 stitches in his forehead, nose and upper lip. A girl and boy riding in the car with Cobb suffered minor bruises.

Rabid Dog Killed; Citizens Are Warned

Residents in Cameron and dog owners are told of possible danger by Mrs. Joe Gerick who called at the plant of the Daily Herald Friday morning to say that a mad dog had been slain near the Graham home.

The dog had been in the Green addition to the City of Cameron several days before City Marshal Smith was notified. Residents of that section of the city are warned and especially dog owners should watch their dogs for signs of rabies.

Cameron Theatre Books Big Pictures For September

Some of the Nation's best big time films have been booked by Stanley Swift for the Cameron Theatre during the month of September.

The star attraction of the month will no doubt be "Boom Town" with its great cast of stars, including Clark Gable, Spencer Tracy, Claudette Colbert and Hedy Lamarr. This picture will be srown for three days, September 19, 20 and 21.

Next Sunday "Pride and Prejudice", starring Lawrence Olivier and Greer Garson. Following a week is the new much talked of picture "Return of Frank James," with Henry Fonda, Henry Hull and Gene Tierney.

On September 22 "The Westerner" a story of the life of the late Judge Roy Bean, as Law West of the Pecos, comes to the Cameron screen with Gary Cooper as the starring man. This picture will have a simultaneous showing over a large program for September will end with "All This and Heaven Too," starring Bette Davis and Chas. Boyer.

On October 3 and 4 "The Doctor Takes a Wife," starts off the fall months with a bang.

On the whole the September program is an ambitious booking of better films for the movie world in Cameron. Big times are ahead for the people and public entertainment has reached a new high.

TUBERCULOSIS FOUND AMONG PATIENTS HERE

Thirty-five people were X-rayed in Milam County on August 27, by the State Health Department and 7 of the number were found to be tuberculosis, according to Dr. Roy G. Reed, director of the Milam County Health Unit.

Persons X-rayed were underprivileged patients of practicing physicians. The seven isolated were either tuberculosis in minimal, chronic or active stage.

Early discovery of cases is advantageous for stamping out this disease, according to Dr. Reed.

Tuberculosis is not inherited as once believed. It is passed from infected persons to well persons. Infected persons are isolated early to prevent spread of the disease. Dr. Reed hopes to get many children tuberculin teasted during the ensuing school year.

Dr. Reed urges everyone who has persistent cough or bronchitis, those who suffer fatigue or tire easily, those who have chest pains, loss of weight or appetite or any symptoms which might be of tuberculous origin consult their private physican at once.

Grand Jury Here Convenes Tuesday

The Grand Jury for the September term of District Court convened here Monday with the following members:

Gus Johnson, Foreman; Lee McLane, Roy Terry, W. C. Edwards, Lester Hart, Gus Von Gonton, Albert Timmeman, T. B. Stidham, W. C. Kohring, Charles Duncum and John Marak.

Chas. C. Smith, Jr., is door bailiff. Nothing is known of the extent of the jury's work nor the length of time that will be required for the deliberations. A light return is expected due to the small number of crimes since the last session.

BAPTIST CALL NEW PASTOR TO CHURCH

Rev. Gerald Trussell of the First Baptist Church at Clifton was called Sunday morning by the Baptist Church here to serve as their pastor.

Rev. Trussell has been notified of the call but has not as yet accepted. The pulpit committee expects to receive word from him Thursday. The church has been without a pastor for several months.

NAVAL AND AIR BASES ARE TAKEN IN EXCHANGE

Great Britain will receive 50 United States Destroyers in exchange for naval and air bases on British territory in the Western Hemisphere.

President Roosevelt announced the treaty in a press conference shortly before noon Tuesday.

While the general conception was that Britain would get the destroyers, no details had been announced concerning the transaction until the President made the statement at the press conference.

It was believed that the naval bases would be asked chiefly for defense of the canal zone but will include the Northwestern coast of America, probably as far as Iceland or territory adjacent.

The treaty is for 99 years, giving the United States bases all along the eastern seaboard and as far south as the Panama Canal Zone and east to the Bahamas.

The treaty is regarded by some members of congress as an act of war while others, especially those friendly to the administration say it is no more than a transaction recently engaged in by Germany and Russia in which the Reich got a number of Russian sub-marines.

The destroyers were built during the world war days and are regarded as obsolete. They will probably be used by the British to ward off a German invasion from the Channel this winter.

Fossil Rib Bone Found in Curry Pit

A rib bone fossilized and of problematical origin is on display in the museum of the Cameron Herald. This rib bone was found in the Curry gravel pit by Grady Gill.

It is entirely possible the bone came from the skeleton of a prehistoric bison or young mammoth, or mastedom.

Much scientific material touching fossil life on the western hemisphere is being found in Texas and especially in Milam County, now that gravel pits are being plundered for material for road building.

The crying need of Cameron and community is provision for a place to house these materials for the study of natural history and to preserve for the present and future generations, these historic finds now being made in Milam County.

Red Bell Returning To Cameron; Will Not Enlist in Army

Cameron has a happy bunch of football players today and Coach Wood smiled twice in succession early this morning when word reached around that Eldridge (Red) Bell, star blocking back for the 1940 edition of the Yoemen is returning to Cameron Friday and will not enlist in the army.

The published report that Bell was in Corpus Christi to enlist proved an error. Everybody got excited and now everybody is happy to know Red is returning to Cameron.

A hard worker, Red has had the help and encouragement of Fred Jackson at the Blue Bonnet Cafe. All last year Bell was given employment by Mr. Jackson and encouraged in every way possible. Red is one of few boys who is willing to sacrifice much to get his education and play bootball.

Football fans and the public will appreciate the co-operation Mr. Jackson is giving the football team.

Bell was reported by his father to be returning to Cameron late Friday. He has been visiting a relative in Corpus Christi. The Daily Herald published a story concerning Bell's visit to Corpus Christi and was pleased to learn early Friday that the report was in large part erroneous.

R. H. Beacham, a resident of Cameron, has spent the major part of the summer attending commercial art school. He is expected to return home presently in order to attend the fall session of school.

JAMES W. SIMS DIES AT SALEM

James Willie Sims, 61, died Saturday, August 31st at the home of a brother in Salem.

Although Mr. Sims had been ill for some time, his death came as a shock to his relatives and friends.

He was born on September 17, in Lavaca County For the past six years he has lived at Salem with H. W. Sims, a brother and was a farmer by trade.

Funeral services were held Sunday at the Salem church with Rev. Etewart, pastor of the Minerva Methodist church, officiating. Interment was made in the Salem cemetery. The Coleman Funeral Home directed arrangements.

He is survived by a number of brothers and sisters. His wife, only member preceded him inetaoin ly member of his immediate family, preceded him in death.

Six Congressmen Tell Why They Opposed Conscription Bill

Six opponents of the military conscription bill in the House of Representatives today gave their reasons for voting against reporting the bill favorably.

Conscription of man power is but a step in the conscription of all private interests, including industry, farming, natural resources which in the opinion of the six members would be a definite step in the direction of totalitarian military economy.

Speaker Sam Rayburn of Texas predicted the bill would pass by a two to one majority.

GETS ASSISTANCESHIP

Miss Helen Green, teacher of English at the University at San Antonio has been awarded a teaching assistanceship in the English department of Leland Stanford Univerisity for the coming year.

Miss Green, who has been granted a leave of absence, will work toward a degree in English literature in addition to teaching one or more classes.

Last spring Miss Green was awarded the second Delta Delta annual fellowship for graduate study, the only one awarded in the entire United States and Canada. This fellowship carries a stipend of $1,000.

Miss Green is visiting her mother, Mrs. C. N. Green in Cameron until September 16th when she will accompany two friends, Captain and Mrs. McFarland of Port Arthur, to Palo Alto, Calif., to begin her duties.

NEW HEALTH NURSE ARRIVES IN CITY

Miss Clara Mae Polizzi of Dallas who has accepted the position as Milam County Health Nurse arrived in the city Thursday to begin work. She replaced Mrs. Ray Burke, Jr., formerly Miss Billie Lentz, who recently married and resigned from the post. Miss Polizzi received her nurse's training from Vanderbilt University at Murfreesboro, Tenn.

CURRY SCHOOL TO OPEN

The Curry school will open Monday, September 9, as a standardized school with seven grades and three teachers: Mrs. Leona White, Miss Nell Mayes and Miss Sallie Graham. No changes were made in the teachers.

CATHOLIC YOUTH

The following represented the Cameron Catholic Youth Organization at a dance in Temple Wednesday night: Mildred Michalka, Mary O'Neill, Billie Balhorn, August and Charlie Kunz and Paul Pfarrdrescher. The Temple CYO entertained with a "Back to School Party" and invited boys and girls from Temple, Taylor, Bryan, Waco, Cameron and Marlin.

W. G. Curry of Falls county has been elected principal of the Ad Hall school. He will succeed John Chaffin who resigned.

800 HUNGARIANS ARE SLAIN IN TRANSYLVANIA

Civil war was threatened in Rumania today as the toll of fighting mounted to 800 Hungarian dead.

Most of the casualties occuered in border skirmishes between Rumania and Hungarian peasants following the entry of the first Hungarian troops into Transylvania at 7 this morning making official transfer of nationality of the Transylvania area.

In the interior of their newly acquired territory the Hungarian troops are reported figthing the pro-Nazi Iron Guard.

War may be prevented through a change in government.

Rumania now has a dictator, General Antonescu, who has been given a free hand with the government while King Carol has accepted the leadership of the army which makes the Monarch only a figurehead in the government.

It is stated by the new government that both King Carol and the new head of the iron guard will accept banishment in favor of the new rule if necessary.

Churchill in a statement to the British people today stated that "Great Britain has just begun to fight." He also gave the people a survey of the damage done to the British capital since the beginning of the war, stating that 1075 civilans has been killed by German airmen. Churchill told the people that the Mediteranean fleet had been doubled by the addition of both warships and destroyers.

An interesting though unconfirmed statement from Rome press said that Canada would go to the U. S. in trade for more warboats and airplanes which have been discarded by the United States.

Though the German and Italian presses point to the recent destroyer trade with the U. S. as a sign of the breaking of the empire, the spirit of the British people has reached a new high for the war after the brilliant work of the RAF in turning back recent German air attacks.

Road District Taxes Are Lowered; County Rate is the Same

Taxes in road districts have been materially reduced by the Commissioners Court accordingly as the following table will show.

In some cases the reductions were large.

The county tax rate was set at the 1939 figure, 70c.

In the Cameron and Rockdale Road Districts no taxes were levied as the sinking funds are suffiient No tax was levied in the Branchville and Maysfield Districts because sinking funds are sufficient.

The following table will show the reduced taxes:

Only Two Aliens Registered Here

Although 75 blanks have been given out at the local federal building, up to noon Friday only two aliens had registered, one a Czech and the other a Mexican.

Aliens must register and be fingerprinted under the new law passed by Congress.

I. N. Burnett of Beaumont is visiting his mother, Mrs. Elizabeth Burnett in Cameron.

Eve of Football Renewal Finds Coaches Are Good Crepe Hangers; Billy Gillis Leading Army Is Former Yoemen; All To Finish Last

Coach Cochran of Hearne touched a source of regret from all when he lamented the arbitray action of the Interscholastic League of Texas that took Hearne out this District. The common interests of the two cities and their location made the annual Hearne-Cameron game a high spot in gridiron battle.

One thing is certain. Coach Bob Moorman of Rockdale has the best prospect of the entire district. He has a backfield that tops the field and will claim 11 letter men for the start of the season. Coach Moorman got a big hand when Albert Collins introduced him as the man who gave Ted Weems to Rice Institute. Weems is to get a first line berth with the Owls, succeeding Cordill as the best punter the Houston school has had in years.

Carol Wood, hung more crepe than all the other coaches combined. He has 3 letter men back this year. The crowd broke into a wild cheer when Billy Gillis, now Captain of the Army team, was lauded as a former Yoeman. Judge Graham Gillis, father of the Army's new captain was cheered but gave back the flowers to Coach Wood when he said his son recently confided to him that after two years with Schreiner and two years with the army, he declares he got all his football genius under Coach Wood.

Coach Johnson of Taylor, a soft speaking and fine appearing man, beat Cameron 40 to 6 in 1939. He says he is building character this year. All the coaches had salt shakers in their vest pockets. Taylor has come far up the ladder in the past few years. Coach Johnson has won two regional titles in a row, having done what the Southwestern Conference Jinx (not jinx tucker) says cannot be done.

Red Harris of Georgetown had only one thing in common he said. He has red hair and so had the toastmaster, Red Collins. When they finally end the season he said down below the last rung his team will find its proper place. Red Harris lost some men on the age rule but has had some mighty fine teams in recent years. Cameron lost to Georgetown last year.

Dusty Simmons, new metor of the Black Panthers at Rosebud has been in town just two days. He reached in his pocket and brought out a long banner of crepe. He says he knows nothing and won't even talk about that. Rosebud has not fared so well in the past 3 years but may come through this year with better than a fifth place. Rosebud produced the great Olbrich boys who made the Texas A & M teams and our neighboring team has always had the respect of Cameron fans.

All in all it was a sort of public exhibition of a wailing wall ceremony. According to the coaches there will be seven teams on the bottom. Coach Moorman of Rockdale confessed he would finish somewhere between first and last place.

Coach Bob Safley was not present. He has the Belton Tigers chained to trees in the Lampassas hills this week, feeding them raw meat and sharpening their claws. Coach Wood said he had not made a touchdown on Belton in seven years.

State School Head To Dedicate Sharp School Building

At 2:30 p. m. Sunday, September 8th, the new school building at Sharp is to be dedicated.

An interesting program has been planned with L. A. Woods, state superintendent, giving the address

Yoe High School Band will render a concert.

The public is cordially invited to visit this modern building.

Out of the 75 blanks given out at the federal building, up to noon Wednesday fifteen aliens had registered and a steady increase was expected.

GLOOM IS HEAVY OVER 1940 PROSPECTS

By RICHARD HESTER

Football coaches of the district assembled in Cameron today as guests of the Rotary Club and vied in their efforts to outgloom each other in the approved Matty Bell style of predictions for the coming season.

Coaches Johnson of Taylor, Harris of Georgetown, Moorman of Rockdale and Simmons of Rosebud and our own Coach Wood, made short talks praising the other coaches in the district and by highly exaggerated pessimisim evaded any prediction about the real prospects for their teams this season.

The audience could easily see through this wall of gloom and tell that this years district battle will be plenty tough as pointed out by Coach Cochran of Hearne, formerly of this District.

By the turn out of many other guests for this luncheon prospects seem bright for good support for the Yoemen this fall. Season tickets for all home games will go on sale in a few days.

The Rotary Club welcomed Parker Love back after a three month absence due to illness and a recuperation period in Kentucky.

The annual Rotary-Ann meeting has been announced for next Wednesday night, September 11th on the lawn at the home of Rotarian Earl Johnson. An especially interesting program has been arranged by Mr. Johnson for this gathering of Rotarians and their wives.

FREE ZINNIAS

Free zinnia plants will be given away to anyone so desiring them from Monday, September 2nd, through Friday of the same week. Due to the oversupply of plants at the Yoe High School. E. A. Perrin superintendent of the school, announced today that anyone desiring zinnia plants should get in touch with him.

Miss Bonnie Brooks of Milano visited here Wednesday.

FORMER CAMERON RESIDENT IS DEAD

Friends in Cameron were grieved to learn of the death of Mrs. A. M. Ferguson on Saturday morning, August 31st.

Mrs. Ferguson was the daughter of the late Sam R. and Katherine Law Henderson of Bryan and will be remembered in Cameron as Miss Hallie Henderson who after her mother's death lived here with her aunt, Miss Ada Henderson. After finishing school in Cameron she returned to Bryan and married A. M. Ferguson.

Funeral services for Mrs. Ferguson were held at 4:30 Sunday afternoon at the Baptist Church in Howe and interment was made in the Howe cemetery.

She is survived by her husband, four sons, James, Tom and Sam, of Howe and Alex of Houston; two daughters, Mrs. Bell of Clarksville and Miss Hallie Ferguson of Howe; five grand children; two sisters; two brothers and a step-mother Mrs. Mary R. Henderson of Cameron.

Relatives from Cameron attending the funeral were Miss Winnie Henderson and Mr. and Mrs. John B. Henderson.

JOINT MEETING

The Eastern Star of Cameron and Rockdale met in a joint meeting Friday night in Rockdale to observe the birthday of Robert Morris, founder of the order. The Cameron lodge presented the program: A reading by Mrs. Roy Henslee and a paper on the life of Morris by Mrs. Jeff T. Kemp.

Refreshments were served by the Rockdale Lodge.

Girls Are Advised To Build-Up For Relief

Lack of knowledge causes many a weak, undernourished girl a lot of suffering!

Many others, however, know how the headaches, nervousness, cramp-like pain of *functional dysmenorrhea* due to malnutrition are helped by the proper use of CARDUI.

Some take it a few days before and during "the time," to help ease periodic distress. But CARDUI'S principal use is to help increase appetite; stimulate the flow of gastric juice; so aid digestion, assist in building up physical resistance and thus help reduce periodical distress. Women have used CARDUI for over 50 years.

Industry Ready to "Keep 'em Rolling" for Defense

Graphic illustration of the way in which one of America's greatest industries gears its activities with the United States Army for national defense is found at Little Falls, Minn., where the greatest peacetime maneuvers in the history of the country are being held Aug. 3—Aug. 24.

To "keep them rolling," Chevrolet, one of the largest suppliers of motor transport equipment to the nation's armed forces, has set up through one of its dealers, the Bert Baston Motor Co., of Minneapolis, a complete parts and service headquarters in the military reservation at Little Falls. More than $10,000 worth of parts is maintained at this depot, where three service representatives are on duty 24 hours daily to service Chevrolet equipment in use. The 85,000 troops in actual combat maneuvers will use 1,180 Chevrolet transport units, including officers' cars, reconnaissance cars, hundreds of trucks adapted to special uses, and military ambulances.

Upper left in the photo shows army transport crewmen servicing an ambulance. Upper right is the Chevrolet parts and service headquarters tent, where service experts are always on duty. Lower left is Lieut.-Col. R. F. Rossberg, of the Minnesota National Guard Quartermaster Corps. At lower center, an officers' car used by the major-general in command of the Little Falls encampment is being serviced. Lower right is an interior view of the Chevrolet parts tent, showing completeness of stock

The Pioneers—it was land that brought them to the West!

They were hardy men who pushed our frontiers toward the West. Men who knew what they wanted. Men who weren't to be stopped. What was the magnet that drew these men—many with their families—from the comparative security of the already settled East to the frontiers that had yet to be tamed? It was land. Land to own. To build upon. Land to grow crops on. No obstacle was too great for them!

LAND IS WEALTH

The frontiers are gone, but not the pioneers. There are still men with foresight. Men who love the land. People are still making sacrifices that they might own a parcel of this earth upon which we live.

To all Friends of Our Schools

Early next week committees from all the Civic organizations in Cameron together with committee from the Athletic Council will canvas the city to sell Season Football tickets.

The successful sale of these tickets means a great deal toward the financing of our team and a special effort will be made this year to sell at least 500 tickets.

This is not a request for a charitable donation, for there is no entertainment that comes to Cameron finer and cleaner than our football games. You will get the worth of the season's ticket at each game—the cheering crowds, the rivalry between the teams, the fine competitive music of the bands and the colorful parades during the half, all combine to bring you an exciting hour.

Please be ready when the committee comes to you and buy your share of these tickets and by doing so take a little of the worry from the Athletic Council about finances.

Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsher ones but is a *gentle persuader* for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, sour stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative", that helps impart tone to lazy bowel muscles. It's economical. 25 to 40 doses: 25c.

CHRISTIAN SCIENCE SERVICES

"Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 8.

The Golden Text is: "The Spirit itself beareth witness with our spirit, that we are the children of God: and if children, then heirs; heirs of God, and joint-heirs with Christ" (Romans 8:16, 17.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "These words spake Jesus, ... I have manifested thy name unto the men which thou gavest me out of the world: thine they were, and thou gavest them me; and they have kept thy word" (John 17:1, 6.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spiritual man is the image or idea of God, an idea which cannot be lost nor separated from its divine Principle" (page 303.)

TOTAL WAR MAY DESTROY BOTH CITIES

London and Berlin, battered by incessant air raids within the last 24 hours had suffered the most extensive damage since the war began at the hands of enemy raiders.

On the eve of its first anniversary,, the war seemed approaching the pictures painted by war experts when they predicted a total air war after the first world war saw so much progress with the airplane.

The position of the two countries has had a great deal to do with the extent of the destructive work of bombing planes.

British air force was taking the war direct to the German capital. The citadel of Nazism and the home of Hitler's third Reich, was covered with the menace from the skies as British mombers soared above and rained death and destruction on Berlin.

In London, although beaten back back by the British the Germans were taking a heavy toll.

Within the last day London has withstood the second longest bombing attack of the war with the 29th alarm sounding in the heart of the capital.

Nazi raiders were unable to cripple the RAF by destroying of air ports forming the defense of London, according to the British war office. The British say the work of the Royal Air Fore has accounted for more than one thousand planes of the German army since the first of August. According to military observers the Germans cannot withstand this loss for an indefinite period.

Peace was due to come to the Balkans as a result of the settlement of the dispute between Hungary and Rumania. Dobruja has been ceded to Bulgaria by Rumania and the people of Bulgaria are staging demonstrations to celebrate the event. All these territorial re-adjustments came about through the dictation of Hitler.

3000 BALES COTTON

Up to noon Saturday 3000 bales of 1940 cotton had been ginned in Cameron, it was reported to the Daily Herald by P. W. Davis at the Cameron Compress.

PEACE IN BALKANS ASSURED BY MOVE

Approximately one third of all Rumania was given to Hungary today by Adolph Hitler and Benito Mussolini following a hurried conference called as armies on both sides prepared for war.

Settlement of the Balkan dispute will no doubt bring peace to the Balkans for the time, a move desperately sought because Hitler wishes to devote his entire time to the destruction of Britain.

The territory ceded to Hungary has about two million population.

Around 600 Nazi planes made another raid on England Friday but none of the bombers succeeded in reaching the city of London proper.

Among several Germans shot down at sea by the British was an officer of very high rank. He was wearing a number of medals but could not be identified because of burns on his face caused when his plane burst into flame.

In Washington fifty of the obsolete destroyers believed to be under consideration for transfer to England, steamed up the Hudson to the Brooklyn Navy Yard shortly before noon today. It was said they are being made ready for immediate use or transfer by sale to Britiain.

Miss Delphya Scott spent the week end in Fort Worth, guest of Mrs. Gladys M. Watson and family, and while there heard Dr. Ward Freeman, pastor of the Castebury Baptist church, an evangelistic worker.

ONLY FEW YOEMEN IN FIRST WORKOUT TODAY

Coach Carrol Wood found plenty of fight and good spirit in the few Yoemen who reported for the first work out of the fall season early Monday.

"We worked for about two hours," said the Coach, "They had plenty of spirit and enthusiasm. It is like I said the other day. We may not win games but when the sixty minutes are over you can all say there was a battle for the big end of the score. After all I think nothing could be expected of a bunch of boys than to give the very best. That is what the 1940 team will do."

Thus spoke the unusually silent coach. Wood makes few predictions. Pressed for something on which to base a hope he has opened up a little and while what he says does not build up much enthusiasm among patrons of the field, it is significant.

The team as a whole is made up hearing Coach Wood, that the 1940 team will go down in history as the most militant aggregation ever assembled under the maroon and gray.

The team as a whole is made op of inexperienced men. A few veterans will be there. Some of the main stringers did not show up for practice this morning but there were good and sufficient reasons.

Yesterday as the squad met the Coach in the Gymnasium the prospects were gloomy, only a scant score of men meeting for the first talk over the coming season.

As the work develops the Daily Herald will bring a picture of the squad. Coach Wood starts working out at night. His men will be on the field tonight. Fans might get a glimpse of the Yoemen for the first time tonight

Former Cameron Woman Nominated 1941 American Mother

Mrs. Roy E. Smith of Austin, former resident of Cameron, has been placed in nomination for the American Mother of 1941.

The publicity department of the University of Texas has given the Herald the following account of Mrs. Smith and her family:

Mrs. Roy E. Smith of Austin She's reared seven children single-handed, and by her unique "family co-operative" has given them all a college education, several of them specialized training . . has seen all of them well-launched in prosperous careers, most of them in fields they have pioneered . . . Dorothy (Mrs. James O. Walton of Dallas) became quite well-known in Texas and in New York as a dress designer before her marriage . . . C. R. rose from grocery boy in Whitney, to bank clerk, then—after some time—to president of American Airlines . . Gail North (Mrs. Charles Muskavitch of Dallas) is program director for Texas State Network . . . Polly is a commercial photographer in Dallas and was official photographer for the Texas Centennial . . . Bill is a portrait painter in New York . . . Burke holds an executive post with American Airline in Los Angeles . . . Floris is publicity director for the Dallas School of Aviation . . . Queried as to the reason for her success as a mother and for the success of her children in their professions, Mrs. Smith replied, "I think it was because I never tried to force them to enter any profession, but tried to see in what direction their interests lay and then make it possible for them to follow those inclinations" . . . She supported the family by finding jobs for each child as he grew old enough, adding his earnings to her own in the common "fund" with herself as treasurer . . . The same co-operative spirit motivates the whole family to this day, she says . . . A school teacher at 15, Mrs. Smith has been a magazine salesman, encyclopedia and dictionary agent, U. S. Census supervisor—first woman in the country in such a post—and has worked in several State departments . . . Though now of "retirment age," and though her children urge her to "rest," Mrs. Smith finds herself in perfect health and insists on continuing work "to keep young." . . . Her hobby since the maturity of her children is to help other boys and girls through college.

Among the many sports publications the Illustrated Football Annual for 1940 will be of special interest to fans in Cameron. This issue contains a photo of Billy Gillis who is a graduate of Yoe High School and now captain of the 1940 army football team.

OBSERVES 90TH BIRTHDAY

Celebrating his ninetieth birthday, S. D. NEW PLYMOUTH CAR FOR 1941 WILL SOON BE HERE

The new Plymouth for 1941 with nineteen important advancements was reported here today by John Sapp of the Sapp Motor Company.

While Mr. Sapp returned from a show of the new 1941 Plymouths and is unable to display one of the new cars at this time he expects to have them on display within a few days.

The Plymouth has been changed in appearance and is on the whole a greatly advanced car over the 1940 models.

Dr. Shipman will be at the Milam Hotel on Tuesday, October 1st. Free examination to one member of each family. 5tp

"PIONEERS OF THE WEST"

THREE MESQUITEERS

5th Episode "Deadwood Dick."

The Pioneers—it was land that brought them to the West!

They were hardy men who pushed our frontiers toward the West. Men who knew what they wanted. Men who weren't to be stopped. What was the magnet that drew these men—many with their families—from the comparative security of the already settled East to the frontiers that had yet to be tamed? It was land. Land to own. To build upon. Land to grow crops on. No obstacle was too great for them!

LAND IS WEALTH

The frontiers are gone, but not the pioneers. There are still men with foresight. Men who love the land. People are still making sacrifices that they might own a parcel of this earth upon which we live.

PEASANTS REVOLT OVER LOSS OF LAND

Violence and unrest flared in the Balkans Monday as the full import of the Nazi-Fascist grab dawned upon the people of Rumania and Transylvania.

Peasants resenting the loss of their lands have revolted in what may prove the spark that will set off the powder keg in Southwestern Europe.

Armed guards ave been placed about the Hungarian and Bulgarian embassies in Bucharest and on Sunday both German and Italian consular representatives were mobbed and beaten.

Nazi lags were torn from the walls of the German consulate in Bucharest as the mobs stormed the quarters of Hitler's envoys.

Meanwhile all interested nations were keeping an eye on Soviet Russia. Red army troops were dashing across the Rumania frontier in tanks and other mechanized equipment to buy liquor, tobacco and other supplies.

Germany was said to have agreed to send troops into Rumania to keep out the Russians if necessary. Hungarian armed forces were in readiness to march and contingents of the Rumanian army were sent into Transylvania to preserve order.

A Berlin report said that King Carol's cabinet would resign. Riot the anti-aircraft guns of the British all Rumanian cities ensued when the government capitulated to Hitler Mussolini.

Two hundred German bombers and fighting planes bomber south eastern England and Wales today. After 30 minutes of heavy fighting the anti-aircramt guns of the British drove the Germans back.

Germany is preparing to pound the British Isles to pieces with long range cannon. The Reich war department said today the attack will be just as relentless as the air raids have been.

A new phase of the war may now be in the making. Paul Joseph Goebbels tre star mouthpiece of Hitler's Nazi regime said early today the final hour for Britain's destruction is at hand.
